Dear Pauline Mc Kinney:
I will try to add a little to the family history wish I could remember more.

I was born Aug 22, 1894 in Jackson Township, Indiana. My Husband was Thomas Clay Nowlin. He was born Mar.15th 1896 in Yellville Ark and died Dec 23,1977.

My mother was Sarah Margaret Finney Berry, and she was 3 yrs old when her mother died. She married James J. Berry. Margaret had 3 sistersand their names are as follows: Ann Finney Martim, who married Bush Martim. Amanda Finney Morlan. married Benjamin Morelan and Martha Finney Humphrey married Billy Humphrey.

6 Children born to James & Margaret. Gilbert, Clara, Chancy and Ted. 2 children died in infancy they names were Frank and Cecil. James J. Berry was a carpenter by trade. I was 11 yrs old when mother diedso I tried to care for the family and go to school with help from the boys and my father.

I attended the Presbyterian church of Rockville Ind. and was the Sunday School. ~~Secreta~~ Treasury while attending there. After I graduated from high school our minister seemed to take an interest in my going to College, so he went to talk with my father to ask if would be interested in me going to College if the church would help out financially and of course my father was happy over this even though it meant losing the family's cook and houskeeper. My father helped with the could financially and always paid my trips home etc.and gave all he possibly could to further my education. The minister name was William B. ~~Chancell~~ Chancellor and he told my father he thought I would be a good teacher. So, with the help from the church, I attended Park College, Parkville, Mo (near Kansas City)Mo).four years, graduating with a Major in History, English and Home Economics. I taught 25 yrs, after graduating in May 1916.

My first school was in Oklaat New Haven school in a one room log school house and teaching all 8 grades and 37 pupils. It was in northeast Okla and Near Ketchum, Okla. This is where I met Tom. He went into the Army June 27, 1917 a short while after we met. He returned from Service Aug 1919 and we were married Aug 22, 1919. At Rockville, Ind.

JASOB SAGER

Jacob Sager was the ninth child of Dr. George Sager and Elizabeth (Sheets]Sager. He was born in Loudoun County Virginia on Jan.13, 1781 and died in Carrol County Ind. On April 24,1847, He was married August 18,1804 to Susannah Garmong at Winchester,Va. She was born July 6,1783 and died in Carrol County,May 26 1851.

When the Sager family arrived in Union County, Ohio in 1805 Jacob settled on land located in the Southeastern part of Darby Twp., here he farmed and ran a Still house. On July 10, 1821 the second term of court to be held in Union County was in session, the only case to come before the Court this term was the trial of one Seth Chillis he had been arrested for breaking in and burglarizing Jacob Sager's Still house. He was found guilty and sentenced to serve two years in the Penitentiary.

In the year of 1828 Jacob moved his large family to Carrol County,Ind., here he became a pioneer of that state. He settled in the wilderness and proceded to clear the land and make a home for his family. They were one of the first fifteen families to settle in Carrol County, The first election to be held was held in Jacob's house, Jacob was one of the Judges.

During the summer of 1952 the writer of this sketch(Clyde E. Sager) visited this old homestead, at the top of a steep incline above the old canal that once ran through the place, I found the graves of this pioneer couple, there are headstones marking their resting place, both have fallen to the ground, Jacob's is broken but the inscriptions is plainly readable yet. They were the parents of ten children. Quite a number of their descendants are still living in the state.

DR. GEORGE SAGER

Dr. George Sager was the only son of George Seger and Anna Maria Kloeter or Cloetin. He was born in Lancaster County, Pa. on Jan. 19, 1744, and died in Union County, Ohio in 1824.

Tradition, well-founded, is that he was a "Physician of the early times widely and favorably known". It has never been learned where he received his medical degree. Tradition is that his father was a doctor and a man of great learning, if so he may have trained his son. In those early days educational facilities were limited, and there were many "Self made men", evidently Dr. George was such a man. Tradition is that he served in the war of the Revolution, two enlistments.

Like many of those old pioneers Dr. George was rather "Fiddle Footed" and liked to explore the frontier. HHe lived in Lancaster and Cumberland counties in Pennsylvania. From there he moved to Maryland, thence to different places in Virginia, lastly settling in Loudoun County where the last of his children were born. Then in 1806 he moved to Ohio, where he made his last home. Some of his children were married and came with him, and eventually all but one arrived. They settled in the Valley of Big Darby Creek, the country was a wilderness and they had to hew their homes out of the forest. Fourteen years later (1820) this territory became organized as Union County, Prior to this time their public recording was made at London, the county seat of Madison County.
